

DK-320/450/520

SLITTER/REWIND UNIT

MAIN FEATURES

The DK-320 series slitting machine is customized for label finishing. It integrates functions of meter controlling, label counting, and pre-set stopping, linear web guide, tension control, and slitting. With compact structure, easy operation, and high accuracy, it is the ideal solution for efficient and stable label slitting.

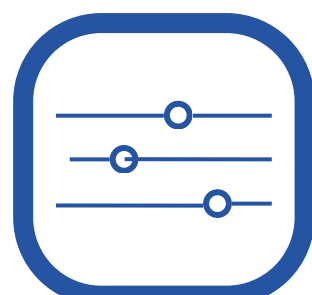

HIGH-PRECISION SLITTING

Precision circular knives ensure clean, accurate cuts and neat edges.

AUTOMATIC TENSION CONTROL

Automatic tension control system ensures stable material running and consistent slitting quality.

EASY OPERATION

User-friendly design for easy operation and maintenance.

HIGH STABILITY

High-speed slitting with stable performance, suitable for a wide range of label materials.

TECHNICAL SPECIFICATIONS

MODEL	DK-320	DK-450	DK-520
Slitting Speed	330 ft/min	330 ft/min	330 ft/min
Max. Unwind Width	12.6 in	17.7 in	20.5 in
Max. Rewind Diameter	19.7 in	19.7 in	19.7 in
Max. Unwind Diameter	18.1 in	18.1 in	18.1 in
Machine Dimensions (L x W x H)	39.4 x 27.6 x 51.2 in	43.3 x 31.5 x 51.2 in	47.2 x 31.5 x 51.2 in
Machine Weight	1,323 lbs	1,764 lbs	2,205

*Specifications are subject to change without prior notice.

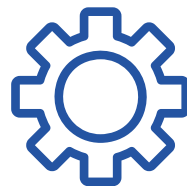

RELIABLE QUALITY

Built with high-quality components for long service life

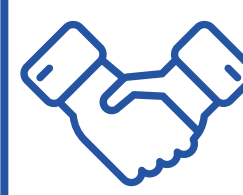

WIDE APPLICATION

Suitable for various label materials and industries.

EXPERT CRAFTSMANSHIP

Precision manufacturing ensures reliable performance.

AFTER-SALES SERVICE

Professional support and fast response for your peace of mind.
